01 March 2024.

1. Target market for this product

Target Market

The retail clients for whom this product has been designed are individuals who:

- want a savings account to help save for the Christmas period;
- want a savings account with no ongoing monthly fees; and
- generally do not require access to their savings outside of the Christmas period from 01 November to 31 January.

Product Description

The AWA Alliance Bank-branded Christmas Account is a savings account designed for retail clients to help save for Christmas expenses by restricting access to savings. Funds are only available by exception between 1 February and 31 October (an early withdrawal fee applies to withdrawals made in this period). Savings may be withdrawn fee free during the Christmas period 1 November to the 31 January using internet, branch and phone banking.

Product key attributes

The key attributes of this product that make it likely to be consistent with the target market described above, include:

Attribute	Appropriate for
No monthly service fee	Retail clients who do not want to pay monthly service fees. Withdrawal fees can be avoided by not making any withdrawals between 1 February and 31 October.
No minimum balance	Retail clients who want to save at their own pace with no requirement for a minimum balance.
Withdrawal transactions permitted during the access period of 1 November to 31 January	Retail clients can access funds via multiple payment methods including online via internet and phone banking, and branch, during the access period with no fees.
Earn interest on savings	Retail clients who want a low-risk product with a return on investment. The applicable interest rate is variable and may fluctuate over time. Interest is payable annually on 31 October.

2. How this product is to be distributed

Beyond Bank Australia Limited applies certain conditions and restrictions to the distribution of this product so that distribution is likely to be to retail clients within the target market for this product. The conditions and restrictions are:
